

January 26, 2018

Dear parents and guardians,

Your child in grade 2-4 is interested in joining the knitting club at Millbrook South Cavan Public School. We are delighted that your child wants to learn how to knit or improve his/her knitting skills this year. We will be working together on a project to benefit the community.

We will be meeting Day 1 during the first nutrition break (9:50 - 10:30). Our first meeting will be Monday, February 5th.

Supplies

- We have some needles and wool already (thanks to those parents who have donated these!)
- If you have a spare pair of **6 mm knitting needles** and/or some **extra wool**, please send to school with your child. Let us know if you would like the needles returned when the knitting club finishes for the year.
- Please send the needles and/or wool to school with your child by Wednesday, January 31

Volunteers

Please let us know if you are able to volunteer to help out. You will need a police check.

Questions

If you have any questions, please let us know! You can reach us by leaving a message at the school (705-932-2789) or by emailing (emily_sturgeon@kprdsb.ca or erica_martin@kprdsb.ca).

Happy knitting,

Mrs. Sturgeon and Mrs. Martin
